Things you need to know...

Please dispose of baby wipes, and feminine products, in the trash can and not the toilet. It wrecks havoc with our pump station. FLUSHABLE WIPES ARE NOT FLUSHABLE, EVER!

Ministry Opportunities

Please help the church cut down on expenses.

1. As much as possible, please throw food away in the trash instead of putting food down the garbage disposal. Everything put down the garbage disposals of the island sinks, ends up in the lift station, causing it to have to be pumped more often.
 2. Help conserve energy by keeping the sanctuary doors closed as much as possible so that extra expenses are not incurred trying to heat/cool the sanctuary when not in use.
 3. Please turn out the lights in areas not in use, especially turning them off when leaving.
 4. Do not flush baby wipes or feminine items. They block up the pump in the lift station causing expense in needing to have the lift station pumped more often, fixing the pump, or even possibly the need to replace the pump.
- Thank you for your help.
