 New Year's Eve church party, December 31

The Stonehill Choir presents "Little Lion, Little Lamb" - Please join us for a very special Christmas cantata that the whole family will enjoy. This year's performance features the Children's Chorus. December 16, 2017. Doors open at 6:30 pm; performance begins at 7 pm. Admission is free!

Thank you to everyone who has helped out around the church throughout the year, cleaning, repairing and completing needed projects. If you have time and talent that you wish to volunteer to complete any projects, or see any that need attention, please coordinate with Teresa. She has an ongoing list of projects to pick from or add to. (Thank you for all the eyes out there helping to notice if anything needs attention!) Also, it's important to coordinate with Teresa since supplies may have already been purchased for a project or someone may already be starting to work on the project you notice. We appreciate all the work done and each one of you who has contributed to keeping the church looking nice and in working order. By coordinating the projects through one central person (Teresa) we can avoid duplication or unnecessary expense.

Things you need to know...

Please dispose of baby wipes, and feminine products, in the trash can and not the toilet. It wreaks havoc with our pump station. FLUSHABLE WIPES ARE NOT FLUSHABLE, EVER!

Ministry Opportunities

Please help the church cut down on expenses.

1. As much as possible, please throw food away in the trash instead of putting food down the garbage disposal. Everything put down the garbage disposals of the island sinks, ends up in the lift station, causing it to have to be pumped more often.
 2. Help conserve energy by keeping the sanctuary doors closed as much as possible so that extra expenses are not incurred trying to heat/cool the sanctuary when not in use.
 3. Please turn out the lights in areas not in use, especially turning them off when leaving.
 4. Do not flush baby wipes or feminine items. They block up the pump in the lift station causing expense in needing to have the lift station pumped more often, fixing the pump, or even possibly the need to replace the pump.
- Thank you for your help.
