In-home help needed for new mom:

Are you available to help out a new mother for a few hours a day? A friend and coworker of Kijana's just had a baby two weeks ago and is home now but is on bed rest. They have a toddler besides the new baby and her husband is out of leave time for work. If you are available to go to their house for a few hours during the day for the next two weeks to help out with the baby while her husband is at work, please let Kijana know. The couple lives in south east Austin. Thank you so much! Kijana (jkijana@gmail.com or text/call 832-832-5261)

Things you need to know...

Please help us take care of our septic system and do not flush wipes!!! Please make sure that toilet paper and body waste are the only items that are flushed. All other items are to go in the trash can. Thank you for your help in this matter.

Ministry Opportunities

Dear Church Family,
 The Family Life Team recently conducted a church-wide survey to find out what types of family life resources best fit the needs and interest of our church families. Survey results indicated that resources for faith-sharing through family worship are a top priority. To view the full results of the survey and to find a list of family devotional resources for children, juniors, teens, and adults recommended by the Family Life Team, please see the insert in today's bulletin.
